Original painted in oils on canvas. Extreme limited edition giclee available. Sized perfectly sized to make your walls its home. This giclée print delivers a vivid image with maximum color accuracy and exceptional resolution. The standard for museums and galleries around the world, giclée (French for "to spray") is a printing process where millions of ink droplets are sprayed onto the paper's surface. With the great degree of detail and smooth transitions of color gradients, giclée prints appear much more realistic than other reproduction prints.
